AMENDMENT

In response to the Advisory Action of January 27, 2003, please amend the above-identified application as follows:

IN THE CLAIMS

Please amend the following claims. A marked up version of the claims is attached at Appendix A.

4. (Third Amendment) A brake shoe assembly comprising:

a brake spider;

a mounting member supported on said brake spider and including an arcuate surface for supporting a brake lining;

an anchor pin pivotally mounting one end of said mounting member to said brake spider, said anchor pin including a cylindrical body with a pair of pin ends extending in opposite directions from said body to define a pivot axis; and
